Respected sir,

The cash deposit for March 6th could not be processed at the Jaishing Nagar branch; consequently, the daily cash closing could not be reconciled to zero. The Branch Manager made extensive efforts to complete the deposit but was unsuccessful due to a server issue at the bank that day. Since the nearest alternative bank was located at a considerable distance from our branch, we waited for a long time in the hope that the server would be restored so we could deposit the cash; however, this did not happen. By 3:00 PM in the evening, it was no longer feasible to travel to a bank in another city and reach there in time. This error was not committed intentionally; we sincerely apologize for the inconvenience caused, And We provided this information to Mukesh Sir and Rohit Sir.
