**Dear Sir/Madam,**

I acknowledge receipt of your **Notice of Inquiry dated 21/07/2026**.

I wish to inform you that this matter is already **pending before the Labour Court**. The next hearing is scheduled for **29 July 2026**.

For the last **four months**, I have repeatedly requested the Head Office and HR to provide documentary evidence supporting the alleged recovery of **₹16,500**. However, despite my repeated requests, I have not been provided with the Audit Report, Client Details, Loan ID/Account Details, Recovery Calculation Sheet, or any documentary evidence proving that the liability belongs to me.

On **29 July 2026**, I will appear before the Labour Court with all my supporting documents and evidence.

**If the company genuinely has any documentary evidence against me, I request the management to produce the same before the Labour Court on the scheduled date. Let the matter be decided fairly on the basis of documentary evidence and law.**

I once again make it clear that **I am not refusing to pay the recovery amount. If the company proves through documentary evidence that the liability genuinely belongs to me, I am ready to deposit ₹16,500 immediately.**

Until such documentary evidence is provided, it is unfair to hold me responsible or take any adverse action against me.

I request the management to cooperate before the Labour Court by producing all relevant records and evidence so that the matter can be decided fairly and transparently.

**Regards,**
