Please find the attach.I will apologize for the disciplinary violation, but we tried our best to deposit in Ballarsha branch. Due to lack of bank link, I went to deposit cash in the bank from 3 pm but due to lack of bank link, cash could not be deposited in the bank. We waited till 4 pm to deposit cash in the bank but due to link problem, cash could not be deposited. After that, when we went to deposit cash in the CDM machine, we found that the cash deposit machine was not working. I had sent a message to our cluster manager's WhatsApp group that the relevant cash was not deposited. Then in the chaos of the evening field, I forgot to give the relevant confirmation, for which I apologize. I assure you that no such mistake will be made by me in the future.

Yours sincerely
Chandrakant Indane
Cluster Manager Chandrapur
