Respected sir,

I agree that I'm the one who wrote that letter by mentioning that I took the admin cash for my personal use but it was actually done under the guidance of cluster manager by the LO with Cluster managers knowledge LO took the admin cash and paid for the customers who didn't paid but the officers who came for verification they threatened me that they will terminate me so I was afraid then they said that just for the formality you write the letter we won't take any action and so I wrote that letter because my family financial situation was really very bad they fully depended on my income only so I wrote that letter but I didn't took the admin cash with the cluster managers knowledge LO only did this he only knows all the details like to which customers they paid the amount and everything so kindly do some needful for me thanking you in advance
