Subject Missing New Loan input by mistake.

Respected Sir,  
I am Siddhesh Privastava id # SF0071079  
working as a branch manager at Mughalserai  
branch. I want to inform you that on  
04.07.2025. I came to the branch at 09:00 pm  
and got a call from the staff, there was  
an issue of collection of some customers that's why  
I had to go to the field, it was raining  
that day, due to which my bike slipped due to  
which, I was late in coming to the branch. I came  
to the branch at 10:30 pm. So I could  
not check the New Loan input. Please forgive  
this mistake of mine. Next time, I will not  
make this mistake of checking the input.
