Dear Sir

Sultanpur Branch Sir, there were 35 pending Opening Std Loans as on Date 31/07/2025, out of which I had told about the collection of 7 loans recovered, in which 6 loans were collected and 1 loan was recovered by clearing the BM advance, so my 7 loans were cleared from pending which were actual, for this I have shared the collection report with you and I have also shared the collection left from BM Advance, please check my Collection report & There Won't be Any Mistake From My side in Future.

**Thanks & Regards,**
