Respected sir

I have requested you, I would like to inform you that I will not call the allegations against me a one-time mistake. The allegations made against me are not entirely true. After demand dividing everything equally, the two boys suddenly left the branch. As a result, the staff becomes short and the demand becomes chaotic again. Since I had to do demand collection due to staff shortage, I was often unable to divide the demand equally.

Even then, if I have made any mistakes, I will solve them on my own later and if I have made any mistakes, please forgive me.

Even then, I will fix everything, including switching and group filiting and demand, in just seven days and I will fix what I promised.

Thank you
