Dear Ejaz Sir,

Based on the below CLV Report shared by you and Alleged employee's Response we have conducted ZDAC Inquiry Meet today and observed that the attached loan card is showing that borrower paid her EMI and employee also entered the same in FIMO but same entry was deleted in end of month based on some other loan card which is sent to HO for deletion.

So ZDAC Panel is recommending to cross verify the same based on both the loan cards and also confirm staff's involvement in the same.

Thanks & Regards...
