Dear sir,

I am writing in response to the show cause notice issued to me regarding the incident on 12-09-2025, where I was found asleep during duty hours.

I sincerely apologize for the lapse in my conduct. The situation arose due to the side effects of a prescribed medication I had taken earlier that day for TB. Unfortunately, I underestimated its drowsiness-inducing effect, which led to my unintended sleep during duty.

I understand the seriousness of this matter and assure you that it was not intentional. I have already consulted my doctor to adjust the medication or its timing to ensure this does not happen again. I remain committed to maintaining discipline and fulfilling my responsibilities with utmost sincerity.

I respectfully request your understanding and assure you of my continued dedication to my duties.

Thank you for your consideration.
