Dear, Sir.

I am writing to sincerely apologize for the failure to deposit cash into the account, on date of 19/09/25. Because Bank Server was down so I couldn't deposit cash in bank and ATM Server also not working so I couldn't deposit cash that day, I understand the importance of timely deposits and the inconvenience this may have caused.

I kindly request you to forgive me this time and I'll try to not happen next time.

Sincerely,

Brajamohan Naik
