Written Explanation Regarding Show Cause Notice  
Case No. DC-FY-2025-05478  
Date of Notice: 27/11/2025

### Acknowledgment of Notice

I hereby acknowledge receipt of the Show Cause Notice, Case No. DC-FY-2025-05478, dated 27/11/2025, concerning a non-financial charge related to the disbursement process. I understand the severity of the matter and the requirement to submit a written explanation within the stipulated 48-hour deadline.

I would like to state the following facts:

- **Loan Disbursement Compliance:** I confirm that the underlying loan disbursement was and will always be conducted in strict adherence to all established rules and regulations. The required compliance checks for the disbursement were completed.
- **Mitigation (Member Migration):** The process was further complicated by the critical timeline, as the member was due to migrate within the month, creating pressure to finalize the paperwork swiftly. While this is not an excuse for the mistake, it provides context regarding the environment at the time of processing.

### Assurance and Commitment

I deeply regret that this error occurred and led to the issuance of a formal notice.

I assure you that I have now taken steps to reinforce my understanding of the relevant protocols and will be meticulously scrutinizing all documentation, particularly those pertaining to member migration cases, to prevent recurrence.

I give my strongest commitment that this problem will not be repeated in the future.

### Conclusion

I respectfully request that my explanation, which confirms my understanding of the rules and my commitment to corrective action, be considered during your review of this case.

Thank you for your time and fair consideration.

Sincerely,
