Respected sir

I have been working as the Branch manager of the Berhampore Branch of Spandana Sphoorty Financial Ltd since 05/09/2023. During an audit at my branch, pre-close issue involving a customer named Pabitra led the audit to report against me and consequently, I was issued a show - cause notice and suspended. However, sir, I was unaware of this matter, I had not handled any transaction for a customer named Pabitra, and I did not know who had.

Therefore, sir, I would be very grateful if you would consider this matter with due diligence.

Your Faithfully
