Dear Sir,

According to company policy, we were required, to bring the cash balance to zero on the 30th. I had informed, the Branch manager about this, and he confirmed to me that ~~the~~ the cash closing balance for my branch was zero, ~~not~~ a However, the cash closing balance was not actually zero, and the branch manager gave me false reporting. He then ~~is~~ informed, me and email, VP.Sir, and, AVP.Sir, at that time bringing the cash closing balance to zero, was not possible, which is why. It was done, I assure you that such a violation of the Rules will not happen again,
