Some people who received this message don't often get email from rajkumarhudati83@gmail.com. [Learn why this is important](#)

Dear sir,

I have done the LUC with proper verification. I am also not able to know why it is showing like that, once I check the mail that the observation comes from HO then also I try to do the LUC but it is not showing. I also have raised the ticket from the portal but there also I didn't got any result.
