Dear Sir

17/4/2026, the closing cash deposit could not be made at the Iriya branch. The staff and the branch manager went to the center and borrower create All the staff at the branch were at the police station that day, which is why they couldn't deposit cash that day. They were released from the police station at night, so the cash deposit could not be made that day. This has already been sent to the account team from the branch mail that day, stating the reason for not being able to make this deposit sir, Attached is the email sent from Branch Mail to the Accounts Team.

Thanks & Regards
