Dear sir

I was out in the field for collection work. My bike suffered a flat tire during the night, so I arrived at the branch at 9:28 PM. I was running late in completing the 'End of Day' (EOD) process; therefore, after confirming with the staff, I proceeded to complete the EOD tasks. The following day, I discovered that one standard account had remained pending; I subsequently collected the EMI from the client and posted the transaction the very next day.
