

to the DABS team,

On 11th May I have deposited partially at Bank due to late coming from field because of one staff health issue. Rest 221000/- amount to deposit at CDM but Ambada's CDM not working and then moved munigunda for deposit but there CDM also closed and all were unable to deposit. But all were deposited T+2 next day all cash and postings in fimo also.

these for I request to you kindly consider the issue and confirm that it will not happen again from today onwards.

Thanks
