Subject: Cash Diposit Problem At Ganjbasoda Branch 29/05/2026

Dear Sir

We had talked to all the branch managers of the area in the afternoon regarding cash deposit. Ganjbasoda branch manager said that we are going to deposit it right now and after this sir, his mobile fell and got damaged. The branch manager forgot to deposit the cash and he thought that today is a holiday for the bank, sir, I apologize, such mistake will not happen again, we will take action against the branch manager and this will not happen from next time. Yesterday, the entire cash has been deposited, sir. Cash closing was kept proper, on that we got the cash verified from CRM sir.

Thanks & Regards,...  

Abhishek Dubey
